

Spring for Teachers 2025

a **Foundation for PPS** event

The Foundation for Portland Public Schools' **Annual Spring for Teachers** event celebrates the students and teachers of the Portland Public Schools and raises funds to make the Portland Public Schools even *better*.

Join us as a sponsor of Spring for Teachers held at **Bunker Brewing** from **5:00 - 7:00 pm** on **Wednesday, May 14, 2025**. Please see the attached flyers for details of event sponsorship packages.

Put your business behind our highest-profile event to show that you support the community that supports you and the teachers who educate your future employees. We know that people are excited to patronize businesses that share their values, such as education.

What is Spring for Teachers?

Spring for Teachers is our annual fundraiser for the Foundation for Portland Public School (FPPS). It is a celebration of teachers. This community gathering draws over 200 people to listen to music, eat international food, and build community around our public schools.

We are looking **to raise \$66,000**, roughly \$10 to benefit each student in the Portland Public Schools, at this year's event. Your sponsorship will help increase student engagement, improve attendance, build workforce readiness, and support PPS staff.

This year, we'll present our second annual Distinguished Alumni Awards

As part of our celebration, we'll present awards to distinguished alumni from Portland Adult Education, Deering, Casco Bay, and Portland High Schools. Each awardee will honor a PPS teacher who shaped their life.

If you have any questions about the Foundation or other ways you can support the next generation of Mainers, please contact **Andi Summers** at **207-842-4658** or **asummers@foundationforpps.org**. Thank you for all you do to support your employees and neighbors!

With gratitude,

**Andi Weisman Summers, Michael Langenmayr,
and Jeanine Bischoff, FPPS staff**

PUBLIC
SCHOOLS

**Every student deserves
a good foundation**

We help the community fund programs and priorities designed to help our schools in so many ways, like:

Increasing Student Engagement

By supporting enhancements and innovation in the classroom and beyond, FPPS works to increase both joy and rigor in our schools.

Improving Attendance

FPPS programs such as Families in Crisis, the Ed Feeney Athletics Fund, the mobile makerspace, and support of the arts motivate students to go to school.

Building workforce readiness

We build relationships with local businesses, alumni, and community members in support of PPS students.

Boosting PPS Staff

Equity & Innovation Grants, Summer Planning Grants, Educating Elevators, and professional development opportunities are some of the ways we support staff.
